

# Abundant Energy Breakthrough by ZPower

*Our Radiant Energy Panels capture the constant energy from the sun, providing reliable, clean electricity, 24 hours a day.*

*The Z1 Power Plant is in development.*

**Buildings (Utility Grid)**  
1 to 50+ Megawatts  
(release in 2022)

*Z1 Power Plant (20-ft Container size)*

*Utility Substation Installation*

**Vehicles**  
(release in 2023)

*Mobile generator tested*

*Can power an electric car,  
plane, train or boat*

**Appliances**  
(release in 2025)

*A 300 Watt Generator has been built*

*A true eternal battery – No recharging*

*Can power electronics and appliances*
